

Curriculum vitae

Dr. BUI Van Hoi

32 year olds, Vietnamese

+84 9 82 87 58 83

bui-van.hoi@usth.edu.vn

Location Dong Ngan, Tu Son, Bac Ninh

Formation

2010-2013

PhD students at University Bordeaux 1 (Bordeaux, France)
Laboratory of Physico-Toxico Chemistry (LPTC) – UMR 5805 EPOC
Specialty : **Analytical Chemistry and Environment**

2008-2009

Master of research at University of South Toulon-Var (France).
Specialty: **Organic Materials Nanostructure and Durability (MOND)**

2002-2006

Graduated at University of Science, Vietnam National University
Specialty: **Analytical Chemistry**

Competences

Langueages

Vietnamese: maternal language
French: advance
English: intermediate

Information

Microsoft office (Microsoft Word, Excel, Power Point)

Experience

2014-present

Teaching and Research Assistant – Department of Water, Environment and Oceanography, Vietnam France University.
